With more than 120 gigs under our belt since our start in April 2015, we pay tribute to the world's ultimate funk rock quartet, the Red Hot Chili Peppers. We have performed at festivals from Manchester to Poole with 1,000s of spectators and travelled to Bahrain and Dubai to play in rugby stadiums to an estimated audience of 6,000 expats.

As the UK's Funky Monks, we entertain audiences with that instantly recognisable RHCP sound. Every show delivers excellent musicianship with faithful reproductions of the Chili's unique and high-intensity live music experiences, capturing their fun, vibrant and energetic spirit, reminding you of the fantastic tunes and awesome performances that brought the band international success.

Experience the funk - a Red Hot Tribute to the Red Hot Chili Peppers by the UK's Funky Monks, with faithful replications of hits like "Under The Bridge", "Give It Away", "Californication", "By The Way" and "Dani California". An ultimate night of live music!

*"These guys really do sound and look like the real thing, not to be missed."*  
Craig Watson, Band Promoter at  
Chalgrove Live Music Festival
