

RED HOT CHILI PEPPERS EXPERIENCE

Technical Rider

General Information

Music Style: Funk Rock / Alternative Rock

Founded: April 2015

Location: Oxford, UK

Description:

With more than 120 gigs in the bag since the start in April 2015, RHCP Experience pays tribute to the Red Hot Chili Peppers, the world's ultimate funk rock quartet.

As the UK's Funky Monks replicating that instantly recognisable RHCP sound, we are filling venues and rocking people's socks off around the UK and abroad. Every show we do provides a unique and high energy live music experience.

We reproduce that ultimate funk rock sound, reminding you of the awesome tunes and performances that brought the band international success. We don't use any backing tracks, everything we do is live. We capture the spirit of the Red Hot Chili Peppers: fun, lively, loving, vibrant and energy filled!

We have worked tirelessly to be the funkiest and most entertaining Red Hot Chili Peppers tribute you'll ever see in the UK, performing with maximum energy and accuracy. We play from a catalogue of over 50 songs, guaranteeing a different and entertaining show each time, bringing you the original Red Hot Chili Peppers audio and visual experience, a Red Hot Chili Peppers experience you don't want to miss.
